SOFT SQUARE

Description:

The traditional square pouf has been given new life in a timeless design with rounded corners and staggered seams. SOFT SQUARE is an extremely versatile pouf to be used in any decor, room or environment imaginable – private or public.

The popular pouf comes with a custom-made tray as an optional accessory. The tray can be placed securely on top of the pouf to become a natural part of the design, with its rounded corners and carvings that following the stitching in the upholstery. The tray can also be used separately.
