

by Michael Dreeben

The Mater Shell Dining Chair is a light and elegant dining chair designed by the American designer, Michael Dreeben. The padded leather seat brings a softness to the dining chair making it a more comfortable seating experience.

Available in two leathers; a chrome-free aniline leather labelled with the Nordic Swan Ecolabel, in an anthrazit black and rust colour giving the material a beautiful and patinated look over time — and a cognac, black or brandy coloured pigmented leather that is durable, easy to maintain and resists stains.

The oak wood is sustainably sourced from well-managed forests and thereby honouring the UN Sustainable Development Goals of protecting “*Life on Land*” (SDGs 15) and “*Responsible Consumption and Production*” (SDGs 12) and supporting “*Partnership for the Goals*” (SDGs 17).
