

Vases Découpage

Ronan & Erwan Bouroullec, 2020

vitra.

The Vases Découpage each consist of a cast cylindrical vessel combined with a set of abstract slabs and bars made of clay, which can be attached to or placed inside the vase. All of the elements have a distinctly handcrafted appearance and exist in a variety of colours – and together they create poetic compositions that look different from every angle: whimsical, ironic, unconventional, lively. The

arrangements form a fragile balance as contrasting colours and layers converge to yield a new harmony', says Ronan Bouroullec.

The Vases Découpage are available in the three sets Barre, Disque and Feuille.
