Floor lamp full moon

designed by pols potten studio

300-450-077

“ Thank you for choosing a pols potten product.
To ensure safe and satisfactory use of this product,
please carefully read the below instructions beforehand.”

general information

- The lamp is made of a brushed brass metal frame, black marble feet and white frosty glass shades with CE certified electrical parts.
- Light bulb E14, MAX40W. Recommended light source: 2W LED. Not included.
- This lamp is for indoor use only.

safety instructions

- Connect to 220-240V AC only.
- Always use the correct type of light bulb and wattage, never exceed the wattage stated above.
- When changing a light bulb, always unplug the lamp and allow the old light bulb to cool down before handling. Carefully dispose of used light bulbs.
- If the external cable of this luminaire is damaged, it shall be exclusively replaced by a qualified person.
- This lamp should not be adapted or modified in any way.
- Please keep these instructions for future reference.

care instructions

- We recommend cleaning the interior and exterior of the lamp with a soft, dry cloth. Avoid contact with abrasive, alcohol and solvent based substances or cleaning agents, they can damage the surface.
- Do not strike with hard or sharp items.
