

Design: Luisa Bocchietto - 2000

KABIN HIGH

In order to elevate the plant from the ground, Kabin has evolved to a taller size. An appropriate container to be placed symmetrically on both sides of an entrance or pathway, either indoors or outdoors.

High: L. 35(27) x h 70 cm. Maxi: L. 44(35) x h 100 cm. Extra: L. 75(45) x h 150 cm. (without feet) Photo Dx: Kabin Maxi
