

ocean master **MAX** single cantilever

premium parasols

The Ocean Master MAX Single Cantilever is simply art and engineering harmonizing in a symphony of shade. The polished and anodized marine-grade canopy structure cantilevers from a sturdy, oval-shaped mast inspired by sailing yachts. With the combined features of an ultra strong aluminum milled fulcrum and automatic telescoping mast, the shade membrane easily closes over tables and chairs.

TUUCI®

features:

- a. Patented Independent Bracket Hub System
