## STUDIO BRICHETZIEGLER

FRANÇAIS / FRENCH - 2017

Caroline Ziegler et Pierre Brichet ont créé le Studio BrichetZiegler en 2010. Cherchant à mettre l'échange et la discussion au centre de leurs recherches, c'est un atelier de réflexion ouvert où poésie, matières et formes dialoguent avec sensibilité. Ils collaborent avec des éditeurs de mobilier et de luminaires, et travaillent sur des projets de design industriel et de scénographie. En 2015, ils se lancent également dans l'auto-édition en créant la marque By Hands. Travaillant à toutes les échelles, avec une prédilection pour le mobilier et les objets, leurs projets se dessinent au fil de leurs rencontres. Ils dessinent des objets colorés, graphiques et expressifs, évocateurs et généreux, où la matière est mise en valeur, autant que les usages.

*Caroline Ziegler and Pierre Brichet founded Studio BrichetZiegler in 2010. As part of their search to place exchange and dialogue at the centre of their research, it is an open think tank workshop in which poetry, materials and forms express themselves with sensitivity. They collaborate with several furniture and lighting companies, and work on industrial and interior design projects. In 2015, they launched a self made collection when they created the By Hands brand. Working on all scales, with a preference for furniture and design objects, their projects take shape through the people they meet. Colourful and expressive, with a graphic touch, they design evocative and generous objects in which the material is as outstanding as the uses.*

**WEEK-END**

 STUDIO BRICHETZIEGLER

Creation : 2012  
 Edition : 2017

**WEEK-END...**

La collection WEEK-END comprend des sièges - chaise, bridge, fauteuil, banc, des tables - table basse d'appoint, table carrée 2-4 personnes, grande table 6-8 personnes, grande table 8-10 personnes, et enfin une table mange-debout et un tabouret haut.

**VU PAR SON DESIGNER :**

« La collection WEEK-END est une gamme de mobilier outdoor complète. Pensée pour une utilisation pratique, toutes les assises sont empilables. La forme ovale et cernée dessine les dossiers pour qu'ils deviennent un signe graphique. Le travail des lattes horizontales et verticales comme des rayures, souligne les pleins et les vides, affirmant l'identité de la collection. » STUDIO BRICHETZIEGLER

The WEEK-END collection includes seats - a chair, a bridge, an armchair, a bench - tables - a coffee table, a square table for 2-4 people, a large dining table for 6-8 people and one for 8-10 people - and finally a high table and a high stool.

**ACCORDING TO ITS DESIGNER:**

" The WEEK-END collection is a full range of outdoor furniture. Designed with practicality in mind, all of the seats are stackable. The Week-End collection is a complete range of outdoor furniture. The oval and circular shape drawn by the backrests makes them a graphic statement. The impact of the horizontal and vertical slats, so similar to stripes, highlights the full and empty spaces, asserting the identity of the collection." STUDIO BRICHETZIEGLER
