

Ray Wall Lamp

by PEDERJESSEN

Thank you for purchasing the Ray Wall Lamp. This page lists all the contents included in the box, the assembling instructions and tips for cleaning and care. As you unpack and prepare for assembly, place the contents on a carpeted or padded area to protect them from damage.

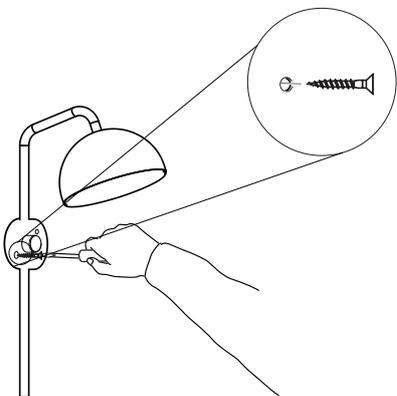

Components

Cleaning & care

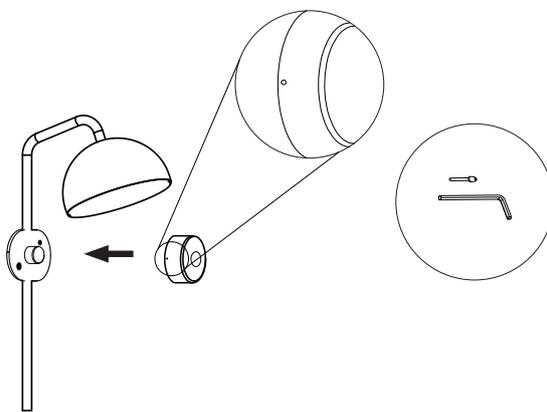

- Clean surfaces with a soft damp cloth
- Do not use abrasive cleaning agents

1

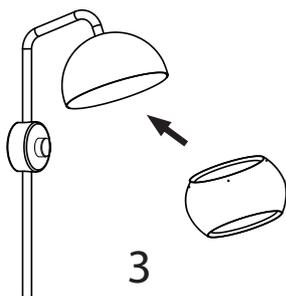

Use the plugs in a pre drilled hole if necessary, depending on the material of the wall.

2

Place the cover over the wall bracket, ensuring that the two holes match the holes on the wall bracket. Use the two small screws and the allen.

3

Place the wooden part in the lamp cover, it sticks with magnets.
